

Woodland Newsletter: Friday 21st May 2021

Dear Parents/Carers,

Whilst our weather may not be as bright as we would like it for mid-May we continue to keep smiling at Woodland! The children are really settling back into school routines again now and we are excited about what the future holds for us.

During lockdown, many children have spent more time online – please could we ask that you continue to be vigilant in terms of what sites they are accessing and how they may be being exposed to social media. Generally, and in line with local and National trends, safeguarding our children in terms of online safety is vital.

As ever, should any of you have any questions or queries or need any support or help, please just get in touch on 01706 620305 or at head@woodland.rochdale.sch.uk

Thank you for your continuing support and we hope that you enjoy your weekends!

Keeping our school grounds safe

Unfortunately, we have recently experienced youths entering the school grounds outside of school hours and causing damage to the school's property. Thank you so much for those of you who have contacted school about this. We will continue to log any reports that we receive to the police, however, we have been advised that it is really helpful if reports are directed immediately to the police at the time of witnessing anything of concern. Thank you for continuing to support us to keep our school grounds in the condition that our children deserve.
