

Woodland Newsletter: Friday 7th May 2021

Dear Parents/Carers,

We've had another great week here at Woodland and we continue to be blown away by how resilient our children are and what an impressive 'can do' attitude we are seeing with their learning. Their manners and the respect that they show to each other and to the staff team is an absolute credit to you all – thank you!

As ever, should any of you have any questions or queries or need any support or help, please just get in touch on 01706 620305 or at head@woodland.rochdale.sch.uk

Thank you for your continuing support and enjoy your weekend!

The Woodland Team

Tree Planting

Our Year 5 pupils have been learning all about the different species of trees. They have been identifying and classifying the trees that we already have on site and researching the new species. The Woodland Trust design tool was then used to create a blueprint for our new area. The first phase of planting took place today on the school field. We are all really looking forward to watching them grow over the years to come.

Family Homework

We have started to see some fabulous pieces of work that have been linked to our famous figures. Please keep these coming into school – the deadline for completion is Friday 21st May 2021.

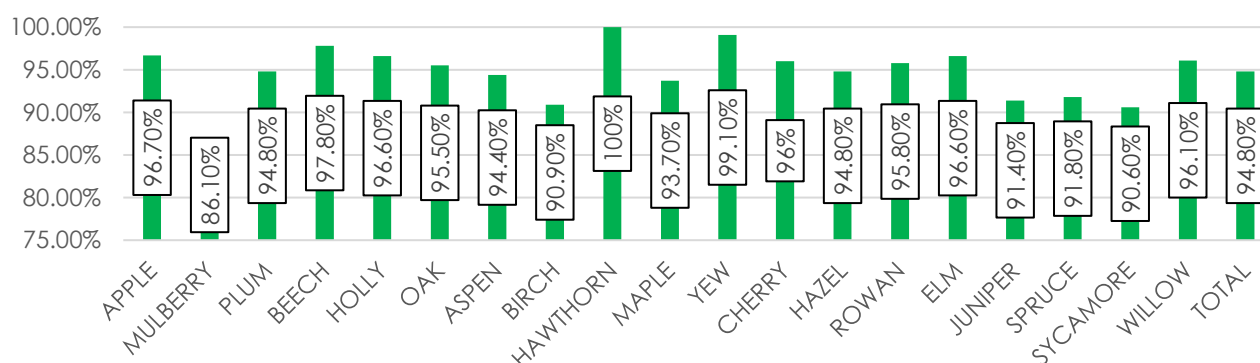

Attendance & Punctuality

We have all worked really hard as a school community to ensure that the profile of attendance is high. Please continue to support us and ensure that your child is in school and on time every day. If anyone needs any support at all with attendance please do get in touch with Miss Williams in the first instance and we will do everything that we can to help you.

Pick up and drop off

Please can we ensure that all children are in school for 8.45am for the start of the school day. We realise that there may be rare occasions when slight lateness is unavoidable, however, this does impact on the children transitioning smoothly into the school day and accessing their early morning work with their peers.
