

Woodland Newsletter: Friday 2nd October

Dear Parents/Carers,

It was so lovely to welcome our Year 6 children back this week.

We continue to update our risk assessment as new guidance is shared over the course of the week to ensure that we are keeping our children, staff and school community as safe as possible. Thank you for all your positive feedback and also for the constructive ideas that continue to support us in evolving our thinking in line with statutory requirements.

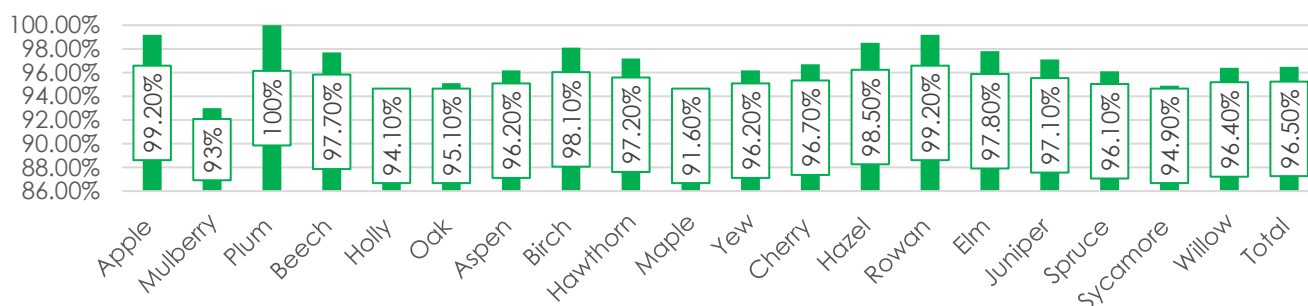

As ever, should you have any questions, queries, comments or ideas, please do not hesitate to contact us on 01706 620305 or at head@woodland.rochdale.sch.uk

Thank you for your continued support.

| We have had reports that some of children appear to have been playing on the railway tracks in the local area in the evening and/or at weekends. Staff have spoken with the children, however, please support us and talk to your child about the dangers that this could present. | Please can we ask all parents and carers to read with their child/ren at least 3 times each week as outlined in our Home School Agreement. If you have read with your child, please sign, initial and/or comment each time in their reading diary. There are some useful activities inside the diaries to support you with reading at home. If you have any other questions or queries about reading with your child, please speak to your child's class teacher. | Due to the current restrictions, the Autumn Term Parents meetings will take place over the telephone with your child's class teacher. The meetings will be held week commencing 12 th October 2020 and 19 th October 2020. Letters that have been sent home with your child/ren tonight.
